Your Local Bus Service

TFI Local Link bus services connect communities throughout rural Ireland as part of the TFI Public Transport Network. TFI Local Link bus services are affordable and available for anyone wishing to travel to or from their local town or village. TFI Local Link operate two different types of service; Regular Rural Bus Services and Door-to-Door Bus Services.

Regular Rural Bus Services

TFI Local Link Regular Rural Bus Services operate on a **fixed route between towns and villages and have a scheduled timetable**, just like any other public transport bus service. Regular Rural Bus Service timetables are designed, to maximise connectivity with Bus Éireann, commercial bus services and Iarnród Éireann networks to facilitate passengers who may need to connect to the national TFI network.

These services are frequently used by local residents, commuters, students and tourists alike.

Door-to-Door Bus Services

TFI Local Link Door-to-Door Bus Services are **route based services** with the added benefit, **where possible of collecting and dropping off passengers at their homes**. These services require pre-booking with your TFI Local Link office, ideally at least the day before travelling. Door-to-Door Bus Services operate a timetable that is subject to change. Timetables frequency for Door to Door Bus Services can vary from daily to once a week, or fortnightly.

Door to Door Bus Services offer great peace of mind to passengers living in rural areas who might otherwise have no way to access public transport and the freedom it brings.

How to book a Door-to-Door Bus Service

Call your closest TFI Local Link office with your Eircode and they will check what Door-to-Door bus services are available in your area.

Door-to-Door bus services require pre-booking the day before travel. Fares are affordable and Free Travel Passes are accepted on all services.

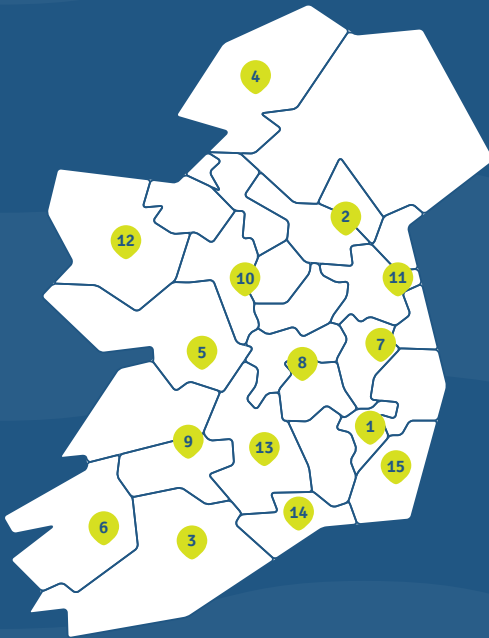

The TFI Local Link team will arrange your bus journey with the driver and where possible, will pick you up & drop you off at your door.

You can register to be picked up on a Door-to-Door service every week instead of pre-booking each time.

How to Contact your Nearest TFI Local Link Office

TFI Local Link services are managed by 15 transport coordination units (TCUs) nationwide, who are operating on behalf of Transport for Ireland (TFI). Each TCU office manages the day to day requests and delivery of bus services in their local area.
