Health Care Services

Several forms of transport should be tried before you come to us, such as;

- Public transport
- CANCER CARE
- Family.

Our Healthcare Services are for persons who have difficulties accessing public or other forms of transport to attend health-related appointments.

We run a daily service from Navan to Dublin public hospitals, pick up times between 8am to 10am.

There will be other passengers on the service so we can provide more service to more people, it is not a one to one service.

There is a limited capacity for these services, and we are not be able to provide all the transport requests.

You must book your transport as soon as you have your appointment date and times.

There is wheelchair access on our bus.

We also are able to provide limited services with our volunteers in their own cars.

For more details and contact numbers please see:
<https://www.localinklmf.ie/health-appointment-service/>

We are always looking for volunteers to help with this service. If you are interested in becoming a Volunteer, please contact us on **046 907 4830** or freephone **1800 303 707**.

You decide how much time you want to give to the programme, the more volunteers we have, the fewer hours for everyone.

All our volunteers are Garda Vetted and Trained by us.
